ABOUT YOUTH RED CROSS

Youth Red Cross: Empowering the Next Generation of Humanitarians

The roots of the Youth Red Cross (YRC) can be traced back to the establishment of the International Red Cross and Red Crescent Movement in the mid-19th century by the visionary Henry Dunant. Building on this humanitarian legacy, the Indian Red Cross Society (IRCS) was formed in 1920, dedicated to providing aid to those affected by conflicts and disasters. In 1968, the Youth Red Cross was introduced, aiming to engage young individuals in humanitarian work and instill a culture of volunteerism among the youth.

The Youth Red Cross operates as a voluntary organization under the guidance of the IRCS and other National Red Cross and Red Crescent societies worldwide. Its fundamental principles, including humanity, impartiality, neutrality, independence, and voluntary service, empower young people to become active agents of positive change. The YRC focuses on four key areas: promoting health and hygiene, disaster relief, blood donation drives, and community service initiatives.

Over the years, the Youth Red Cross has made significant strides in mobilizing youth volunteers who participate in diverse community service projects and disaster response efforts. Through raising awareness about health and hygiene, organizing blood donation drives, and providing crucial relief during emergencies, the YRC has left an indelible mark on countless lives. Its history reflects the enduring spirit of compassion and dedication to service that defines the Red Cross movement worldwide.

In this edition, we celebrate the Youth Red Cross and its remarkable journey of nurturing the next generation of humanitarians. Discover how young people across India and beyond are making a meaningful impact on their communities, embodying the principles of empathy, solidarity, and altruism. Join us in celebrating the spirit of service and the legacy of the Youth Red Cross in shaping a brighter and more compassionate future for all.

YOUTH RED CROSS EASWARI ENGINEERING COLLEGE

ORIGIN OF INDIAN YOUTH RED CROSS

The origin of the Indian Youth Red Cross (YRC) can be traced back to the Indian Red Cross Society (IRCS), which was founded in 1920. The IRCS was established with the aim of providing humanitarian assistance to those affected by wars, natural disasters, and other emergencies. It followed the principles set forth by the International Red Cross and Red Crescent Movement, including neutrality, impartiality, independence, voluntary service, unity, and universality.

As part of its efforts to engage young people in humanitarian work and create a culture of service among the youth, the Indian Red Cross Society introduced the Youth Red Cross in India in 1968. The Youth Red Cross was structured as the youth wing of the IRCS, offering a platform for young individuals to actively participate in various social welfare projects and disaster response initiatives.

The Indian Youth Red Cross operates with the mission of empowering young people to become active agents of positive change in their communities and society at large. It focuses on promoting health and hygiene, providing disaster relief, organizing blood donation drives, and conducting community service projects. Over the years, the YRC has grown in scale and impact, inspiring and mobilizing a large number of youth volunteers who contribute significantly to the humanitarian efforts of the Indian Red Cross Society.

The phrase emphasizes the principle of YRC: “Compassionate Unity for Universal Service.”

YRC OF EEC

The Youth Red Cross (YRC) is a prominent student organization within the college, focused on engaging young minds in humanitarian and social welfare activities. The YRC at Easwari Engineering College operates as a youth wing of the Indian Red Cross Society (IRCS) and aims to foster a spirit of compassion, social responsibility, and service among the students.

The YRC of Easwari Engineering College is actively involved in various activities, including:

1. **Health and Hygiene Initiatives:** Organizing health camps, workshops, and awareness programs to promote preventive healthcare practices and hygiene among the college community and neighboring areas.
2. **Blood Donation Drives:** Conducting regular blood donation camps to contribute to the noble cause of saving lives through voluntary blood donations.
3. **Disaster Relief and Response:** Mobilizing resources and volunteers to assist in disaster relief efforts during emergencies and natural calamities.
4. **Community Service Projects:** Undertaking various community service initiatives, such as supporting underprivileged communities, providing aid to the elderly, and participating in environmental conservation activities.
5. **First Aid Training:** Providing first aid training to students and staff members, equipping them with essential life-saving skills.

The YRC of Easwari Engineering College plays a crucial role in shaping responsible and compassionate individuals who actively contribute to the welfare of society. Through its diverse activities and projects, the YRC instills values of empathy, unity, and humanitarian service among the college students, preparing them to become socially conscious and contributing members of the community. However, please note that the information may have evolved or changed since my last update, so I recommend verifying the latest details with the college administration or official sources.

MESSAGE FROM PROGRAMMING OFFICER

As the Programme Officer at YRC, I am reaching out to you today with a sense of purpose and enthusiasm for the mission we share: to empower and uplift the youth in our community. At YRC, we are steadfast in our commitment to creating a platform that fosters growth, learning, and meaningful engagement among young individuals.

As we move forward, I am excited to announce some upcoming initiatives. Your expertise, insights, and support are invaluable as we work together to provide a nurturing environment for the youth to flourish. Together, we have the opportunity to shape a brighter future and empower the leaders of tomorrow. Let's continue our journey of inspiring change, one young person at a time.

MESSAGE FROM EDITORIAL TEAM

Hey Enthusiasts, We are exhilarated to unveil the new edition of YRC - Magazine "MAGSJAM," which means a play on "mag" and "jasm" suggesting a collection of ideas. MAGSJAM has recorded all of our accomplishments and has seen them all come to pass.

Our mission was to aid and assist people in whatever manner we could. We appreciate the efforts of the YRC team and all of the volunteers who helped to make this possible. With coordination and teamwork, as well as with the support and guidance from teachers, we're hoping to reach new heights and milestones.

MESSAGE FROM EX-PRESIDENT

My two tenures at the Youth Red Cross (YRC) Club, from 2022 to 2023 as Event Manager and from 2023 to 2024 as President, have been incredibly memorable and transformative. Under the guidance of Manjula Ma'am, I have gained invaluable insights into team building, leadership skills, and effective communication with people of diverse personalities. These two years taught me the essence of diplomacy and how to engage with external organizations like various NGOs. I learned how to navigate and negotiate different aspects of exchange, overseeing many operations ranging from decoration to event planning to resource allocation, ensuring that each team maintained a healthy power dynamic.

With ample support from my cabinet members, we successfully organized a variety of events that truly embodied the spirit of giving back to society. These events taught me what it means to have a genuine impact and how witnessing people's reactions to our help is something that no amount of money can buy. Especially meaningful were the moments spent aiding those in need and supporting young warriors battling cancer, which underscored the importance of focusing on humanity and compassion rather than getting caught up in the fast-paced rat race of life.

Throughout my tenure, I learned to coordinate multiple tasks, including planning, organizing, and executing events. I developed strong negotiation skills, managed resources efficiently, and ensured effective crew management, all while maintaining excellent power dynamics within the teams. The experience of communicating with external organizations not only enhanced my diplomatic skills but also allowed me to build valuable networks and partnerships.

This chapter in my life is one I will never forget. The lessons and values I acquired during my time with the Youth Red Cross have shaped my perspective and reinforced my belief in the power of empathy and community service. I am grateful for the opportunity to have led and been part of such a remarkable team that strives to make a difference in the world. These experiences have not only enriched my life but also ignited a lifelong commitment to contributing positively to society.

-Mohit

YOUTH RED CROSS EASWARI ENGINEERING COLLEGE

MESSAGES FROM EX-SECRETARY

My journey with the Youth Red Cross has been nothing short of transformative. From the moment I joined, I was welcomed into a community dedicated to making a difference. The exposure I gained through our various activities has been invaluable.

Participating in beach and lake clean-ups, food distribution drives, our flagship event, Mission Crusader, and other social activities has allowed me to see firsthand the impact we can have on our environment and community. These experiences have not only broadened my understanding of social issues but also reinforced the importance of teamwork and dedication.

The bonds I formed with my programme officer and my fellow office bearers are something I cherish deeply. Working alongside passionate and like-minded individuals has been incredibly rewarding. We've supported each other through every initiative, building a network of contacts and friendships that I know will last a lifetime.

The Youth Red Cross has truly involved me in social activities, giving me the platform to contribute meaningfully while developing my skills and values. I am grateful for every opportunity and look forward to continuing the service and solidarity.

-Sejana

MESSAGE FROM EX-EXECUTIVE SECRETARY

Joining the Youth Red Cross (YRC) club has been one of the most transformative experiences of my life. When I first joined, I was eager to engage in community service and develop new skills, but I never anticipated how deeply this journey would impact me. Through numerous volunteering activities, I had the chance to work directly with people from all walks of life. Whether it was organizing blood donation camps, participating in health awareness campaigns, or supporting disaster relief efforts, drug awareness programs, fundraising events, walkathon, Webinar, each activity reinforced the importance of empathy and altruism. These experiences taught me that even small acts of kindness can have a significant impact on the community.

I want to extend my heartfelt thanks to Mrs. C. Manjula, my program officer, for believing in me and giving me this opportunity. Her support and guidance have been instrumental in my personal growth. I also appreciate the help and support of my cabinet members, which contributed to the success of our events. The bonds I've formed with my program officer and fellow office bearers are truly invaluable. I am very happy to have been a part of our flagship event, Mission Crusader 2024, Walkathon 2024, RRR 3.0, and other events.

The YRC club provided me with a fantastic platform to develop essential skills. Planning and executing various events honed my organizational and time-management skills. Additionally, taking on leadership roles within the club allowed me to lead teams, delegate tasks, and make critical decisions under pressure. Above all, my journey with the Youth Red Cross club has been one of profound personal growth. It has challenged me to step out of my comfort zone, embrace new experiences, and continuously strive for self-improvement. Reflecting on my experiences, I realize how much I have evolved as an individual. Being a part of the Youth Red Cross club has been a life-changing experience. I am deeply grateful for the opportunities and experiences that have shaped me during my time with the YRC club, and I am excited to carry forward the skills and growth I've gained into new challenges and opportunities.

-Keerthana

MESSAGES FROM EX-EXECUTIVE SECRETARY

I extend my heartfelt gratitude to the club for the incredible exposure I gained during my time there. The unwavering support from our program officer and my fellow office bearers, especially the cabinet team, has been invaluable. Collaborating on various projects and engaging in a diverse range of social activities allowed me to grow both personally and professionally.

Serving as one of the executive secretaries and the Chief Editor during the past tenure refined my leadership skills, enabling me to reflect on my strengths and weaknesses and improve myself.

I feel privileged to have been part of our flagship event, Mission Crusader '24, which, despite numerous hardships, achieved resounding success. The memories will be etched in my heart forever.

The friendships and connections I have made here will undoubtedly last a lifetime. A big thank you to everyone who has been part of this incredible journey, and I look forward to seeing the club continue to thrive and inspire others.

-Akila

MESSAGES FROM EX-HEAD OF OPERATIONS

Grateful for the opportunity provided in the yrc team for two years, experienced a lot of fun and "out of hands" moments. Being a hostler and having this opportunity was a once in lifetime chance to support people, students, and had a blast as volunteers in college activities like swagat and taletia, and how could I not say about our flagship event, more than we event we get a friendly environment with faculties, juniors, senior and with teachers. The days will always be cherished in my heart. More than a credit I personally got a balanced life in college due to YRC.

-Bergin

MESSAGES FROM EX-DIRECTOR OF EXTERNAL AFFAIRS

I wanted to take a moment to express my heartfelt gratitude for the incredible journey we've shared. It has been an honor to serve in this role and work alongside such a dedicated and inspiring group of individuals.

I am immensely proud of what we've achieved together, from our successful events and initiatives to the strengthened relationships with our community partners. None of this would have been possible without your unwavering support, collaboration, and enthusiasm.

Thank you for trusting me with the responsibilities of this position and for your continuous encouragement. The experiences and memories we've created will always hold a special place in my heart. I look forward to remaining an active member and supporting our club's future endeavors.

-Parithii

MESSAGES FROM EX-VOLUNTEER HEAD

Volunteering as the volunteer head of the Youth Red Cross Club was an immensely rewarding experience that significantly shaped my personal and professional growth. Throughout my tenure, I had the privilege of forging deep and meaningful friendships with both fellow volunteers and community members. My role also provided numerous opportunities to develop and refine my personal skills, from leadership and communication. These skills will undoubtedly benefit me in all future endeavors, both professionally and personally.

I am profoundly grateful to Manjula Mam and my friends for their unwavering support and commitment. Their encouragement, enthusiasm, and dedication were crucial in transforming our collective efforts into a series of impactful and cherished experiences. Together, we created lasting memories and made a tangible difference in the lives of many, making this journey one I will always look back on with pride and appreciation.

EVENTS

2023 -

2024

YOUTH RED CROSS EASWARI ENGINEERING COLLEGE

BLOOD DONATION CAMP

“Donating the Gift of Life”

YRC-EEC organized a blood donation camp at the campus of EEC on 16Th October.

The event started from 10 am and continued till 3 pm in the evening. Kishore , Sriram , Navaneeth ,Sanajana and Sabaresh were the event leads who took care and guided the whole event. Thanks to the donors, volunteers, and office bearers of the tenure for making it a vibrant and successful event.

Many actively participated in the event. The photos were taken simultaneously, and at last, all gathered for celebrating the camp's success by cheering up each other.

YOUTH RED CROSS EASWARI ENGINEERING COLLEGE

RRR

"Raise awareness, ignite change "

The Youth Red Cross team at Easwari Engineering College (Autonomous) has accomplished the impactful initiative RRR - Rehab Return Rejoice 3.0.

We express profound gratitude for the esteemed presence of speakers M.Karunanithi Retired Superintendent of police and Dr. Aravinda Suresh Physiotherapist, for their enlightening discourse

The event was followed by a compelling mime act on drug awareness. The event witnessed an enthusiastic participation of over 100+ YRC members attending the event with each individual undoubtedly benefiting from the program.

We extend our heartfelt appreciation to all contributors and leaders whose efforts propelled the event to its resounding success."

YOUTH RED CROSS EASWARI ENGINEERING COLLEGE

FIRST AID EVENT

Accidents do happen but first aid always comes in clutch. "

The team Youth Red Cross of Easwari Engineering College (Autonomous) are highly elated to let you all know about the completion of "THE FIRST AID EVENT" which was held on 25th January, 2024, on the account of "FIRST AID DAY"

The club takes immense delight on initiating this cognizant event.

We extend our profound gratitude to all the 100 participants and volunteers.

BRIDGE PROJECT

Education is the kindling of a flame, not the filling of a vessel." 📖

We the Youth Red Cross Club of Easwari Engineering College(Autonomous) in collaboration with the lure of life(@lureoflife) have now initiated a "Bridge camp" to extend our service to the mankind by providing the most sacred tool-education that in every aspect, can be a potent key to set them free from the locks of poverty.

Our volunteers visited Poonamallee on the month of April, 2024 to teach children from the underprivileged society.

Nearly 17 children enthusiastically participated in the camp.

MISSION CRUSADER

YOUTH RED CROSS EASWARI ENGINEERING COLLEGE

ABOUT MISSION CRUSADER

The flagship event of the Youth Red Cross Club of EEC(A) is Mission Crusader. The main motto of this event is “PEDAL TO FIGHT CANCER.” Every year, the team of the YRC club of EEC(A) starts working for the MC event 3 months prior. As a first step, we begin raising funds from various companies.

This big event was successfully completed for the 8th consecutive year. Like last year, we aimed to get more funds and succeeded in securing a good amount. The togetherness of people from various age groups made this event a grand success. The cycle rally or cyclothon started from the college premises and went towards Sivan Park and back to the campus, a single stretch of about 10 km.

The way malignant lives are lived is completely miserable and indescribable. Just to make them feel good enough and get sufficient treatments, we have done, are doing, and will continue doing this marvelous event every year.

Let's all take an oath that we will also do something to contribute towards the malignant and to help the needy.

“Let's unite together and untie the miserable lives of cancer survivors.”

MISSION CRUSADER 2024

Reflecting on Mission Crusader 2024, we are reminded of the power of community-driven initiatives and the importance of continuing our mission to support cancer patients. The funds raised, stories shared, and lives touched during this event underline the potential for positive change when people unite for a common cause. As we look forward to future Mission Crusaders, we remain committed to expanding our impact and ensuring that every pedal stroke brings us closer to a world where cancer is met with strength, resilience, and hope.

The college chairman donated 1 lakh. In addition to this remarkable contribution, 1.75 lakhs was raised through participant registrations, showcasing the overwhelming support from individuals and organizations committed to fighting cancer. The funds raised will be donated to the Cancer Institute at Adyar, providing much-needed support to patients and their families in their battle against cancer.
